Filed : January 29, 2001

REMARKS

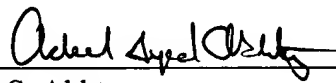

These amendments under 37 C.F.R. §1.312 were necessitated by an apparent typographical error in Claim 28, as listed by the Examiner in the Notice of Allowance mailed July 29, 2004. As noted by the Examiner in the Interview Summary, Claim 28 should recite "wherein walls of the auxiliary chamber and walls of the piping system upstream of the auxiliary chamber are each formed of different materials." The listed Claim 28, however, omits the second occurrence of "walls of." For clarity, Applicants have re-inserted this second occurrence of "walls of" and have deleted the article "the" before the first occurrence of "walls of."

Accordingly, as these amendments merely correct an obvious typographical error, Applicants respectfully request their entry.

Respectfully submitted,
